House in Odalengo Grande

Odalengo Grande

In face of a castle and the hamlet's little square, nice house with already 2 entrances so it's a good solution for 2 residential units or realize a bigger one, too.

There are 4 spacious rooms at the ground floor and 4 vaulted rooms at the first floor, 2 bathrooms. At the first floor there is also a long balcony with view overlooking the green countryside around.

The house is actually in good conditions with vaulted ceilings and exposed brick walls. Good panoramic view and nice glimpse over the castle. The property includes also a little piece of land besides the street for flowers or vegetables crops.

Possibility to buy a garage close to the house.

Price: € 60.000,00
